Operational  
GRCROOND Budget Revision

File  
GRCROOND

Reference: COPS/207, 1 July 1954

1. After review of SOB/3565 and the fact that only \$400 was charged against KUHOOK Developmental in FY54 we agree fully that the increase from \$5,000 to \$15,000 is far too high for KUHOOK Developmental FY55. Since we are hoping to at least double our effort in KUHOOK during the coming fiscal year, we therefore thought that the original allotment of \$5,000 should be doubled or tripled.
2. We now feel that \$5,000 for KUHOOK Operational Development for FY55 should be quite sufficient. May we request you to make this change in the budget revision.
